Selectmen's Report for 2006.

Here we go another year is past. Time sure flies. It was a fairly good year. It was full of typical trials and tribulations with the ever changing law coming from Concord. There is a lot to keep up with.

There was the big ice storm that required the opening of the Emergency Operations Center. It was a real life test of our Emergency Response Plan. The Selectmen and Bob Coy, Emergency Management Director manned The EOC. The Fire Department and Rescue Squad divided up the task of alerting all residents with out power, of the situation and of the evacuation center set up in Swanzey at the High School. We finally started on the Vets Hall Parking lot. It is almost complete. It will need a final grading and a top coat of gravel when spring comes and the fill has settled. We will then spread a little loam and dress up the area around the lot to allow for grass and mowing. We are still collecting bids on the handicapped restroom project. We had two sides of the Veterans Hall painted in the spring, and hope to paint the other two sides this season. We also plan on painting two sides of the Town Hall. JC started the process of clearing the back of the Anidoun Park area. He has additional plans to do more this summer.

We had 26 building permits. 5 were houses, 2 were additions, 15 were garages and barns etc and 4 were porches and decks. Our office and the Tax Office are very happy with the new assessing and mapping software. We bought a new color laser printer and will soon be printing out property maps in color as well as property cards.

We hired Bev Hart to be our secretary and she deserves an atta-boy for adjusting so quickly. She is a welcome addition to our office. Thank you to Geraldine Lutz for her hard work on the Municipal Buildings and Beach grounds. We offer a special thank you to her sister Marcia Lee, who volunteered generously toward the major cleanup at the start of that project.

We again this year want to thank all the volunteers that work so hard to keep our Town such a great place to live. This includes all the committee members, both elected and volunteer, that devote so much of their time. Also to the Emergency Management, Fire Department, Rescue Squad and Police that work so hard to keep Richmond safe and protected.

Respectively submitted,
Dana Taylor, Chairman.

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

MARCH 2007

The polls will open from 11:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Richmond, in the County of Cheshire in said state,
Qualified to vote in Town Affairs;

You are hereby notified to meet at the Veterans Memorial Hall in said Richmond on
Tuesday the 13th of March, next at 11:00 A.M. of the clock in the morning to act upon the
following subjects:

1. To choose all necessary Town Officers for the year ensuing.

At 7:00 P.M. the following;

2. To see if the Town will vote to raise and appropriate the sum of \$51,000 for
Executive Salaries and Expenses.

3. To see if the Town will vote to raise and appropriate the sum of \$39,763 for Election,
Registration & Vital Statistics.

4. To see if the Town will vote to raise and appropriate the sum of \$37,720 for Financial
Administration.

5. To see if the Town will vote to raise and appropriate the sum of \$10,000 for Damages
and Legal Expenses.

6. To see if the Town will vote to raise and appropriate the sum of \$8,150 for Local and
Regional Planning and Zoning.

7. To see if the Town will vote to raise and appropriate the sum of \$80,750 for General
Government Buildings.

8. To see if the Town will vote to raise and appropriate the sum of \$11,430 for
Cemeteries.

9. To see if the Town will vote to raise and appropriate the sum of \$16,500 for
Insurance.

10. To see if the Town will vote to raise and appropriate the sum of \$65,998 for the

Police Department.

11. To see if the Town will vote to raise and appropriate the sum of \$9,500 for Ambulance Service.

12. To see if the Town will vote to raise and appropriate the sum of \$25,000 for the Fire Department.

13. To see if the Town will vote to raise and appropriate the sum of \$6,000 for the Rescue Squad.

14. To see if the Town will vote to raise and appropriate a sum not to exceed \$6,000 for the purchase of a Defibrillator.

15. To see if the Town will vote to raise and appropriate the sum of \$24,534 for Emergency Management with \$18,884 to come from VT Yankee Radiological Management Reimbursement fund.

16. To see if the Town will vote to raise and appropriate the sum of \$500 for the Health Department.

17. To see if the Town will vote to raise and appropriate the sum of \$1,500 for the Meadowood County Area Fire Department.

18. To see if the Town will vote to raise and appropriate the sum of \$165,000 for Highways and Streets with \$47,248 to come from the Highway Block Grant.

19. To see if the Town will vote to raise and appropriate the sum of \$1,300 for Street Lighting.

20. To see if the Town will vote to raise and appropriate the sum of \$57,200 for Solid Waste Disposal.

21. To see if the Town will vote to raise and appropriate the sum of \$1,500 for the Home Health Care, Hospice and Community Service. (By Request)

22. To see if the Town will vote to raise and appropriate the sum of \$1,375 for the Monadnock Family & Mental Health Service. (By Request)

23. To see if the Town will vote to raise and appropriate the sum of \$1,355 for The Community Kitchen, Inc. (By Request)

24. To see if the Town will vote to raise and appropriate the sum of \$700.00 for the Southwestern Community Services, Inc. (By Request)

25. To see if the Town will vote to raise and appropriate the sum of \$250 for the Samaritans. (By Request)

26. To see if the Town will vote to raise and appropriate the sum of \$2,000 for Direct Assistance, with the amount to be offset by surplus.

27. To see if the Town will vote to raise and appropriate the sum of \$3,000 for Intergovernmental Welfare, with the amount to be offset by surplus.

28. To see if the Town will vote to raise and appropriate the sum of \$1,850 for the Community Park Commission.

29. To see if the Town will vote to raise and appropriate the sum of \$475 for the Recreation Committee.

30. To see if the Town will vote to raise and appropriate the sum of \$750 for the Beach Committee.

31. To see if the Town will vote to raise and appropriate the sum of \$24,591 for the Library.

32. To see if the Town will vote to raise and appropriate the sum of \$1,000 for Interest on Tax Anticipation Notes, with the amount to be offset by surplus.

33. To see if the Town will vote to raise and appropriate the sum of \$20,000 to add to the Expendable General Fund Trust Fund, known as Fire/Rescue Vehicle Replacement Fund, for the purpose of purchasing replacement Fire/Rescue vehicles. (Recommended by Selectmen)

34. To see if the Town will vote to create a Expendable General Fund Trust, pursuant to RSA 35:19-a to be known as the Fire Department Equipment Fund for the purpose of purchasing additional Fire and Rescue equipment, and to raise and appropriate the sum of \$5,000 to be placed in this fund and to designate the Richmond Board of Selectmen as the agents to expend this fund. (Recommended by Selectmen)

35. To see if the Town will vote to raise and appropriate the sum of \$7,000 to add to the Expendable General Fund Trust Fund, known as the Police Vehicle Fund, for the purpose of purchasing a police vehicle. (Recommended by Selectmen)

36. To see if the Town will vote to raise and appropriate the sum of \$1,000 to add to the Expendable General Fund Trust Fund, known as the Police Safety Equipment Fund, for the purpose of purchasing personal safety equipment for the police officers. (Recommended by Selectmen)

37. To see if the Town will vote to raise and appropriate the sum of \$7,000 to add to the Expendable General Fund Trust Fund, known as the Public Safety Radio Communication Fund, for the purpose of purchasing and/or upgrading radio communication equipment. (Recommended by Selectmen)

38. To see if the Town will vote to change the purpose of the Expendable General Fund Trust Fund, known as the Municipal Building Fund, for the purpose of building a new municipal building(s), to the Municipal Buildings Construction/Renovation Capital Reserve Fund for the purpose of allowing renovations or additions to existing town buildings or construction of new town buildings, and to designate the Richmond Board of Selectmen as the agents to expend this fund. (Recommended by Selectmen). (2/3 vote required).

39. To see if the Town will vote to raise and appropriate the sum of \$10,000 to add to the Expendable General Fund Trust Fund, known as the Municipal Buildings Construction/Renovation Capital Reserve Fund for the purpose of allowing renovations or additions to existing town buildings or construction of new town buildings. (Recommended by Selectmen)

40. We the undersigned citizens of Richmond, NH, petition the selectmen/town moderator to change the location of Richmond's town meeting from the Veteran's Hall to Camp Takodah. This location would be more accessible to town residents, providing ample seating and parking space for attendees. (Advisory only) (By petition)

41. To see if the Town will go on record in support of effective actions by the president and the Congress to address the issue of climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future well being of the people of Richmond. These actions include:

1. Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy.

2. Creation of a major national research initiative to foster rapid development of sustainable energy technologies thereby stimulating new jobs and investment.

In addition, the Town of Richmond encourages New Hampshire citizens to work for emission reductions within their communities, and we ask our Selectmen to consider the appointment of a voluntary energy committee to recommend local steps to save energy and reduce emissions. (By petition)

42. Shall the town accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to issue tax anticipation notes?.

43. To see if the Town will vote to authorize the Selectmen to sell tax deeded property as justice may require until rescinded.

44. To hear any reports of Agents, Committees, etc heretofore chosen and to take any action thereon.

45. To take any action that may legally come before the meeting.

THE STATE OF NEW HAMPSHIRE

TOWN MEETING RESULTS

TOWN OF RICHMOND

MARCH 14, 2006

The meeting was called to order at 7:05 P.M. The flag salute was lead by Selectman JC Boudreau. Rev. Jacqueline Brannen led the invocation. This was followed by a moment of silence in remembrance of community members who have passed away.

The moderator made several announcements. He requested that people who wish to speak address the moderator, state their name and speak clearly. If he did not see the hand of someone who wished to speak, he asked that someone direct his attention to him or her. He also stated he would call on those who had not already talked to the question in preference over those who had. Once articles are decided they will not be reconsidered. He also stated that people should question any call by the moderator if they think he made a wrong decision. He asked if there were any questions. A resident asked why the town is using inventories and why the tax amounts are not in the Town Report this year. Selectman Taylor addressed these issues. The moderator then said that the time for other general questions would be at the end of the meeting.

1. OFFICERS VOTED ON EARLIER:

Supervisor of the Checklist for six (6) years, Melissa Herman - 245
 Selectman for three (3) years, "JC" Boudreau - 219
 Trustee of Trust Funds for two (2) years, Debra Coll - 299 - Declined
 Trustee of Trust Funds for three (3) years, Debra Coll - 10
 Cemetery Trustee for three (3) years, Beverly Hart - 271
 Cemetery Trustee for one (1) year, Mary Taylor - 24
 Library Trustee for three (3) years, Elaine Moriarty - 304
 Town Clerk for three (3) years, Pamela Goodell - 229
 Planning Board for three (3) years, Robert Coy - 165
 Planning Board for three (3) years, Ludger "Butch" Morin - 171
 Moderator for two (2) years, Douglas Bersaw - 69

The Town voted by ballot on changes proposed by the Planning Board.

2. The Town voted for Amendment 1 as follows:

Article 305: This amendment replaces article 305 in the current ordinance. A recreational vehicle may be used as a temporary dwelling, on a transient basis, which shall not exceed 3 consecutive months in 12 month period, unless such vehicle is stored in a campground

or a recreational vehicle camping park. However, upon written application from the owner of said vehicle, the Board of Selectman may grant an extension not to exceed 3 additional consecutive months. Recreational vehicles shall not, under any circumstances be used as a permanent place of residence. A safe and sanitary method of sewage, wastewater and solid waste disposal shall be provided. 205 - yes; 105 - no Passed.

3. The Town voted for Amendment 2 as follows:

Article 312: This amendment will replace article 312 in the current ordinance.

All dwelling units and additions are to be built on a permanent foundation. Foundations will consist of footings and foundation walls. All footings must be constructed of concrete, placed below the level of frost. All foundation walls must be constructed of a contiguous concrete, cement block, brick, stone, or other approved permanent type material, providing lateral, horizontal and vertical support.

Definitions: Foundations: This definition will replace the existing definition in the current ordinance.

Foundations: Foundations will consist of footings and foundation walls. All footings must be constructed of concrete, placed below the level of frost. All foundation walls must be constructed of a contiguous concrete, cement block, brick, stone, or other approved permanent type material, providing lateral, horizontal and vertical support.

173 - yes; 153 - no Passed.

4. The Town voted for Amendment 3 as follows:

Article 312.1 This amendment is an addition to the current ordinance.

Non dwelling Units, if they are attached to a dwelling unit, may have a foundation constructed of masonry or wood piers with a footing placed below the level of frost. Examples are decks, porches, or barns. If a non dwelling unit is converted to a dwelling unit it shall conform to all applicable dwelling requirements. 199 - yes; 106 - no Passed.

5. The Town voted for Amendment 4 as follows:

316: An addition to the current ordinance. Depositing, storing or dumping of combustion products, ash, burned or unburned materials from any type of power plant or commercial incinerator is prohibited at any location in Richmond. 241 - yes; 66 - no Passed.

6. The Town first voted against and then voted for ** (See page 4 and 9 for recount info)** Amendment 5 as follows: Article 406 Cluster Development replaces article 406 in the current ordinance. The purpose of this amendment is to create and preserve open space permanently, reduce infrastructure cost and enable manageable growth.

406.1 A cluster development shall consist of a minimum of six or more dwelling units and be located in the residential district or lakeside district.

406.2 A minimum of 3 acres, including wetlands, for each dwelling unit is required.

406.3 Each building lot within the cluster shall be a minimum of 1 1/2 acres excluding wetlands. The remaining land (open Space) shall contain a minimum of 50%, including wetlands, of the total land of the cluster. This shall be owned in common by all the lot owners and maintained by them. The open space shall be contiguous, with no long narrow strips.

With the exception of the case that a common septic system is to be constructed, the

minimum lot frontage shall be 125 feet on the common driveway and contain a square of 125 feet per side. In the case of the common septic system, the building lot size may be reduced to 3/4 acre and the frontage to 75 feet with the requirement that the lot contain a square of 75 feet per side. The additional land resulting from the reduction in lot size must be added to the total dedicated to open space. The land required for construction of the common driveway shall be taken from the building lots in the depth direction. The land required for the septic system may be taken from the open space land held in common by all.

A common well may also be constructed but must comply with current Zoning requirements and included in the common space.

When each lot is sold the deed will transfer an undivided pro rated share of ownership in the open space appurtenant to ownership of the lot.

406.4: The common driveway serving the building lots shall be constructed to a design approved by the Selectmen.

406.5: The minimum frontage for the cluster on a public road (class I, II, IV, or V) or an approved subdivision road shall be 125 feet per dwelling unit. The common Driveway may enter the public road from this frontage. No building lots may front on the public road.

406.6: Single family dwelling units, two family dwelling units and multiple family dwelling units are permitted. The individual lot size shall be 1 1/2 acres per dwelling unit or a lesser size down to 3/4 acre minimum if a common septic system is chosen. If a common septic system is chosen, a state approved design must be presented to and approved by the Planning Board.

406.7: The commonly owned open space shall not be used for any structure with the exception of a common approved septic system. Recreational areas, trails or paths are permitted. A private non profit organization consisting of all land owners shall be established by the developer to manage, maintain, support, and finance necessary actions to the common facilities and common area of the cluster and enforce any covenants.

406.8: There shall be deed restrictions, conditions, covenants, or easements which will protect and preserve the open space and provide a suitable enforcement mechanism to ensure that the open space will remain open and undeveloped except as permitted herein.

406.9: Recreational such as hiking, bicycling, cross country skiing, horseback riding, and picnicking, and including agriculture are encouraged in open spaces.

406.10: All other provisions of article 4 and article 3 shall apply except that the setback from the front property line shall be a minimum of 40 feet. In the case of a cluster utilizing a common septic system, a minimum of a 10 foot setback from side and rear property lines and 40 feet from the front property line are required for any structure. The common septic system must be a minimum of 75 feet from any dwelling lot.

Definitions: The Town voted against the following definitions which were new and will not be added.

Cluster: A special arrangement of land with a reduced minimum building lot size with

multiple lots on a contiguous parcel of land to remain permanently undeveloped.

Common Space: The land in a cluster commonly owned by the building lot owners used for various functions such as a common driveway serving the property owners. It must be apart from the minimum 50% of open space.

Open Space: The parcel of land in a cluster with an easement that ensures that it will remain permanently undeveloped. 163- yes; 164- no. Failed. Recount 164- yes; 163- no Passed. **See page 9**

7. The Town voted for Amendment 6 as follows: Article 407: Accessory dwelling Units. The accessory unit's amendment is an addition to the current ordinance it provides homeowners the opportunity to add to their dwelling unit an apartment to house a relative when the lot size meets the requirements for a single family dwelling.

407:1. Only one accessory dwelling unit shall be permitted per lot.

407:2. A record property owner shall occupy either the primary dwelling unit or the accessory dwelling unit as his or her primary residence. The property owner shall submit an affidavit in support of conditional use for accessory dwelling unit to the Board of Selectmen with his or her application for conditional use permit, stating under oath that he or she satisfies the owner occupancy requirement of this section. In addition, within 90 days of a transfer of title, any property is subject to the terms and conditions of a conditional use permit for an accessory dwelling unit, the new owner must state under oath that he or she satisfies the occupancy requirement of this article.

407.2 a. The' term "primary residence" for determining owner occupancy shall mean the location where the owner(s) is/are domiciled and has a place of abode, and the place where the property owner has, through all of his or her actions, demonstrated a current intent to designate said residence as his or her place of physical presence. Such intent on the part of the property owner is evidenced by, among other things, his or her voter's registration, vehicle registration, drivers license, or the placement of his or her children in public or private schools. Any temporary lapse of owner occupancy caused by the death of a property owner shall be permitted for a reasonable period.

407.2 b. If the owner is a trust, the term property owner shall mean the creator or a beneficiary of the trust.

407:3. There shall be no more than two bedrooms in an accessory dwelling unit

407:4. An accessory dwelling unit shall have a minimum floor area of 400 square feet but in no case shall the floor area comprise more than 30% of the gross floor space of the primary single family dwelling. The accessory dwelling unit shall be part of the primary single family dwelling unit. An accessory dwelling unit shall comply with the Town building codes. An accessory dwelling unit may also contain a single living room, dining room, kitchen, and up to two bathrooms. If the proposed accessory dwelling unit cannot meet said requirements it is prohibited.

407:5. State septic system plan approval is required prior to the issuance of a building permit.

407.6. A dimensional plot plan of the property shall be submitted as part of the conditional use permit application. This shall show the location of driveway and paving, building setbacks, utilities, fences, buffer yard and other relevant features of the site.

407.7. No more than one driveway access is permitted.

407.8. All dimensional requirements of the zoning ordinance for a single family dwelling shall be observed.

407.9. Adequate notice, for recording at the registry of deeds, shall be prepared by the owner of record identifying the property on which the accessory dwelling unit is located by source deed. The notice should also state the date and conditions of approval of the accessory dwelling unit permit sufficient to notify the successor owner that the accessory dwelling unit is subject to the town's zoning ordinance and the conditional accessory dwelling unit use permit issued by the Board of Selectmen.

407.10. If the owner decides to transfer the property and is unable to identify a buyer interested in fulfilling the conditions of paragraph 2, the deed of transfer of the property must state that this property is no longer allowed to have an accessory dwelling unit until they meet the requirements of this ordinance.

Definitions: The Town voted for the following definition which was new and will be added.

Accessory Dwelling Unit: A second dwelling unit attached to the principle dwelling unit on a building lot approved for a single dwelling. Both of the units on the lot must be occupied by the record primary owner/owners and relatives of the owner/owners only. Relatives are defined as parents or children of one of the primary owners or the deceased spouse of one of the primary owners. 163 - yes; 158 - no Passed.

8. The Town voted for Amendment 7 as follows:

This amendment will replace article 605 in the current ordinance.

605: Uplands must constitute at least 50% of the of the minimum lot requirements and no septic tank or leach field may be closer then 100 feet to any wetlands. 192 - yes; 111- no Passed.

9. The Town voted for Amendment 8 as follows:

This amendment is an addition to the current ordinance.

903.2: All buildings, building components and structures shall comply with the STATE BUILDING CODE, and the STATE FIRE CODE. The construction design, structure maintenance and use of all buildings or structures to be erected and the alteration, renovation, rehabilitation, repair; maintenance, removal or demolition of all structures and buildings previously erected shall be governed by the provision of the STATE BUILDING CODE according to State Law, RSA155-A:2.

The standards including definitions established by the most recent entity the LIFE CYCLE CODE, NFPA Doc. Shall take precedence over all standards in the STATE

BUILDING CODE relative to means of egress. All new buildings shall conform to the requirements of the STATE FIRE CODE.

Definition: The following was adopted.

State Building Code: Adopted by reference of the International Building Code, the International Plumbing Code, the International Mechanical Code and the International Energy Code as published by the International Code Council and the National Electric Code. 166 - yes; 160 - no Passed.

At 7:00 P.M. the following;

10. The Town voted to raise and appropriate the sum of \$49,545 for Executive Salaries and Expenses. Passed.

11. The Town voted to raise and appropriate the sum of \$38,332 for Election, Registration & Vital Statistics. Passed.

12. The Town voted to raise and appropriate the sum of \$36,655 for Financial Administration. Passed.

A motion was made to consider article 14 prior to article 13. By moderator prerogative this was done.

14. The Town was asked to raise and appropriate the sum of \$7,350 for Local and Regional Planning and Zoning. An amendment was made to raise and appropriate \$4,950 for Local and Regional Planning and Zoning. Resident James Carnie suggested that the \$2,400 difference be taken as legal fees and added to article 13 so that the selectmen would be in charge of disbursing them. Discussion was then directed towards an emergency Planning Board meeting that had been held on Sunday, March 12, 2006. The moderator was asked to step down for this discussion due to conflict of interest. Selectman Chairman Dana Taylor also had a conflict of interest, so Selectman JC Boudreau conducted the voting. Amendment Passed by hand vote: 85 yes; 34 no. Article as amended Passed.

13. The Town was asked to raise and appropriate the sum of \$2,500 for Damages and Legal Expenses. An amendment was made to raise and appropriate \$4,900 for Damages and Legal Expenses. Amendment Passed. Article as amended Passed.

15. The Town voted to raise and appropriate the sum of \$48,500 for General Government Buildings. Passed.

16. The Town voted to raise and appropriate the sum of \$6,830 for Cemeteries. Passed.

17. The Town voted to raise and appropriate the sum of \$18,000 for Insurance. Passed.

18. The Town was asked to raise and appropriate the sum of \$67,810 for the Police Department. An amendment was made to raise and appropriate \$58,000 for the Police Department. Amendment Passed by hand vote: 68 yes; 53 no. Article as amended Passed.

19. The Town voted to raise and appropriate the sum of \$9,500 for Ambulance Service. Passed.

20. The Town was asked to raise and appropriate the sum of \$20,700 for the Fire Department. An amendment was made to raise and appropriate \$25,700 for the Fire Department. Fire Chief Michael Pearsall said that the extra money was not necessary, but that the department would put it to good use. Amendment Passed by hand vote: 54 yes; 46 no. Article as amended Passed by hand vote: 65 yes; 29 no.

The moderator closed the polls at 8:15 PM.

21. The Town voted to raise and appropriate the sum of \$5,000 for the Rescue Squad. Passed.

22. The Town voted to raise and appropriate the sum of \$23,884 for Emergency Management with 18,884 to come from VT Yankee Radiological Management Reimbursement fund. Passed.

23. The Town voted to raise and appropriate the sum of \$500 for the Health Department. Passed.

24. The Town voted to raise and appropriate the sum of \$1,500 for the Meadowood County Area Fire Department. Passed.

25. The Town was asked to raise and appropriate the sum of \$152,840 for Highways and Streets with \$47,388 to come from the Highway Block Grant. An amendment was made to raise and appropriate \$173,140 for Highways and Streets with \$47,388 to come from the Highway Block Grant. Selectmen explained the increase was required because the Martin gravel pit has been sold and the Town must move its salt and crushed gravel to a different location. Amendment Passed. Article as amended Passed.

26. The Town voted to raise and appropriate the sum of \$1,345 for Street Lighting. Passed.

27. The Town voted to raise and appropriate the sum of \$57,854 for Solid Waste Disposal. Passed.

28. The Town voted to raise and appropriate the sum of \$1,500 for the Home Health Care, Hospice and Community Service. (By Request) Passed.

29. The Town voted to raise and appropriate the sum of \$1,375 for the Monadnock Family & Mental Health Service. (By Request) Passed.

30. The Town voted to raise and appropriate the sum of \$1,355 for The Community Kitchen, Inc. (By Request) Passed.

31. The Town voted to raise and appropriate the sum of \$ 535.00 for the Southwestern Community Services, Inc. (By Request) Passed.

32. The Town voted to raise and appropriate the sum of \$250 for the Samaritans. (By

Request) Passed.

33. The Town was asked to raise and appropriate the sum of \$1000 for the Winchester Learning Center. (By Request) A motion to move the question Passed. Article Failed by hand vote: 46 yes; 69 no

34. The Town voted to raise and appropriate the sum of \$2,000 for Direct Assistance, with the amount to be offset by surplus. Passed.

35. The Town voted to raise and appropriate the sum of \$3,000 for Intergovernmental Welfare, with the amount to be offset by surplus. Passed.

36. The Town voted to raise and appropriate the sum of \$550 for the Community Park Commission. Passed.

The moderator called for a recess. The Rescue Squad had coffee to offer with donations accepted.

37. The Town was asked to raise and appropriate the sum of \$1,100 for the Recreation Committee. An amendment was made to raise and appropriate \$575 for the Recreation Committee. Discussion concerned eliminating money for gift certificates for graduating seniors. Amendment Passed by hand vote: 55 yes; 33 no. Article as amended Passed.

38. The Town voted to raise and appropriate the sum of \$700 for the Beach Committee. Passed.

39. The Town voted to raise and appropriate the sum of \$23,880 for the Library. Passed.

40. The Town voted to raise and appropriate the sum of \$1,000 for Interest on Tax Anticipation Notes, with the amount to be offset by surplus. Passed.

41. The Town voted to raise and appropriate the sum of \$20,000 to add to the Expendable General Fund Trust Fund, Established 1995, Article 36, under the provisions of RSA 31:19-a, Fire/Rescue Vehicle Replacement Fund, for the purpose of purchasing replacement Fire/Rescue vehicles. (Recommended by Selectmen) Passed.

42. The Town voted to raise and appropriate the sum of \$20,378 for the Fire Department and the sum of \$4,997 for the Rescue Squad plus any interest accrued. This amount to be offset by the monies placed in the Irene Baker Fire and Rescue Fund as discussed at a Public Hearing on November 8th 2005. (Recommended by Selectmen) Passed.

43. The Town voted to raise and appropriate the sum of \$10,000 to add to the Expendable General Fund Trust Fund. Established 1998, Article 38, under the provisions of RSA 31:19-a, known as the Police Vehicle Fund, for the purpose of purchasing a police vehicle. (Recommended by Selectmen) Passed.

44. The Town voted to raise and appropriate the sum of \$1,000 to add to the Expendable General Fund Trust Fund, Established 2002, Article 45, under the provisions of RSA 31:19-a, known as the Police Safety Equipment Fund, for the purpose of purchasing personal safety

equipment for the police officers. (Recommended by Selectmen) Passed.

45. The Town voted to raise and appropriate the sum of \$5,000 to add to the Expendable General Fund Trust Fund, Established 2001, Article 14, under the provisions of RSA 31:19-a, known as the Public Safety Radio Communication Fund, for the purpose of purchasing and/or upgrading radio communication equipment. (Not Recommended by Selectmen) Selectmen changed their recommendation to reflect their agreement that money for the Radio Repeater System would come from this Fund. Passed.

46. The Town was asked to raise and appropriate the sum of \$10,000 to add to the Expendable General Fund Trust Fund, Established 1999, Article 42, under the provisions of RSA 31:19-a, known as the Municipal Building Fund, for the purpose of building a new municipal building(s). (Recommended by Selectmen). An amendment was made to raise and appropriate the sum of \$0 to add to the Expendable General Fund Trust Fund, Established 1999, Article 42, under the provisions of RSA 31:19-a, known as the Municipal Building Fund, for the purpose of building a new municipal building(s). Amendment Failed. Original Article Passed.

47. The Town voted to create a revolving fund pursuant to RSA 31:95-h for the purpose of police special details. All revenues received for police special details will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not to be considered part of the town's general fund unreserved fund balance. The town treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the Selectmen and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. Passed.

48. The Town voted to authorize the Selectmen to borrow money for the use of the Town in anticipation of taxes. Passed.

49. The Town voted to authorize the Selectmen to sell tax deeded property. Passed.

50. The Town voted to hear any reports of Agents, Committees, etc heretofore chosen and to take any action thereon. Passed. There were no reports

51. The Town voted to take any action that might legally come before the meeting. Passed. There was no further action.

Motion to adjourn at 9:50 p.m. Passed

Meeting adjourned at 9:50 p.m.

Respectfully submitted,

Pamela R. Goodell
Town Clerk, Richmond

** A recount on Amendment #5 was requested by petition of 11 voters on March 20, 2006. The recount took place on March 30, 2006. As a result, the March 14, 2006 vote against Amendment #5 was reversed and the Amendment passed. See pages 2 and 4.

Pamela R. Goodell, Town Clerk, Richmond

Richmond Town Report 2006

State Senator Molly M. Kelly
District 10

As your State Senator, I am honored by the opportunity to serve you and wanted to report from the New Hampshire Senate on important state issues affecting you, as residents of Richmond.

While this is my first session as your State Senator, I do have some specific issues on which I wish to focus, including defining an adequate education; providing equal access to education for all children; presenting and passing a balanced budget, and raising the minimum wage. I feel I have a full understanding and appreciation of how policies adopted here in Concord affect our citizens locally.

In 2006, the Town of Richmond received a total of \$1,044,412.00 in Education Grants, \$46,815.00 in Highway Block Grants, \$41,074.95 from Meals & Rooms Tax distribution, and \$11,522 from Revenue Sharing.

As a member of the Senate Capital Budget, Education, Executive Departments and Administration as well as Transportation and Interstate Cooperation Committees, I would be happy to hear from you on issues of concern.

If you wish to contact me about these or any other matters I might help you with, please call me at (603) 271-7803, or email me at molly.kelly@leg.state.nh.us.

TOWN CLERK'S REPORT
DECEMBER 31, 2006

Revenue collected in the Town Clerk's office was \$10,000 more than last year. Most of this increase was from cars, dogs and dump stickers.

We finally went online with the state motor vehicle system through our vendor BMSI in December. I now wish we had waited longer. Most of the transactions go through smoothly, but the ones that don't go smoothly take an exorbitant amount of time to fix. I truly appreciate how patient people have been especially considering the long waits they have experienced. Time and practice should make things better.

The statewide-centralized database for our voters' checklist is now a reality and seems for the most part to be working well. You may have noticed at election time that the automated voting system is now available in a new handicap voting booth.

In order to learn the new computer systems we had to travel to Concord for numerous training sessions. Therefore, we did over spend our mileage line in the budget and totaled just \$80 under our budget figure for wages.

We were extremely pleased to have our \$6690 grant for a records storage room accepted by the state archives bureau. The room will be fire resistant and climatically controlled. This will help preserve our Town's history for centuries to come. Thank you to Condon's Custom Construction Company for all their assistance in making this grant possible.

We were sorry that Betty Grondin-Jose resigned this year because of family commitments. She was a great asset to our office, and we will miss her. We thank Deb Vaughan, Annette Tokunaga, and Joe Mondello for continuing to work for us.

Respectfully submitted,

Pamela R. Goodell

Greetings to the Residents and Property Owners of Richmond,

First, I'd like to thank everyone for their continued support, by way of compliment and criticism, during 2006. I have been in office since April 13th, 2005 and I have learned a lot and I have met a lot of wonderful people in town. It has been my policy since being appointed as your tax collector to treat everyone with impartiality, courtesy, and respect. In carrying out my role as tax collector, I find it is absolutely necessary to make the collection of taxes as convenient as possible for the taxpayers. Whenever I am in the office beyond the routine business hours, my doors are always open to you.

As many of you already know, office hours were changed from Wednesday's, 3p – 5p, to Thursdays from 4p – 6p. This was done for several reasons. First, this allows the 4p – 6p time frame to straddle the time when people are normally getting off of work and to make it into the tax office. Secondly, banking hours are until 7 p and this allows me time to make it to the bank to deposit funds. The sooner the funds are in the bank, the sooner the town has the use of those monies and earn interest too.

During 2006, in order to stay on top property tax issues, I attended the following annual work shops: NH Department of Revenue Tax Collector spring workshop in Concord; the regional spring workshop in Marlborough; and the annual three-day tax collector's conference which was hosted this year in North Conway. Additionally, I completed year one of a three year tax collector's certification course which was held at Primex in Concord; this was a week long workshop.

This year for the first time, courtesy delinquency notices were mailed out; this brought in \$15,451.20. Understandably, bills do get lost in the mail, mortgage companies fail to pay an owner's taxes, and people do honestly forget or lose their bills. And yes, sometimes we need a little friendly prodding.

Failure to file the town's annual inventory report by April 15th for 2006 involved 130 parcel owners for an amount equal to \$2,869.00. 2005 penalties involved 212 parcels for an amount equal to \$4,375.00.

Since taking office, four properties have been deeded, one in 2005 and three in 2006. The town certainly does not want to take a property from anyone! The Selectmen do not like to get into the business of being landlords or having to evict anyone from their homes. I and the Selectmen are willing to go the extra mile to work with you, the taxpayer, in getting your taxes paid and in a manner least burdensome to you and the town.

In two cases, prior to the parcels being deeded, both property owners called ahead and wanted to work something out, but in both cases, they never came in to see either me

or the selectmen. Sadly, in one of these cases, all that the one owner had to come up with was about \$2,000.00. The owner now wants to redeem the property back; This involves, in addition to ALL the back taxes, costs and fees with the buyback, the state mandated 15% of the assessed value of the property as of the date of the tax deed, adjusted by the most recently available equalization ratio (RSA 80:90). So now, instead of having to come up with \$2000.00 or so dollars, the amount is in excess of \$20,000 and more.

2006 property taxes increased by just over 8% from \$18.48 to \$19.97 per thousand. (See table below). Second issue 2006 property tax bills were mailed out on December 20th, 2006 and were due on January 25th, 2007. Thank you all for your cooperation and patience.

The second year of service was much easier than the first and I look forward to serving you in 2007 and beyond.

Sincerely,

Steve M. Boscarino

Richmond Public Library 2006 Annual Report

The Richmond Public Library has continued to flourish in 2006, with our expanded hours, partial automation of the collection, growing children's programming, a brightly painted children's room, the receipt of several grants, and the ongoing support of many volunteers.

In January 2006, the Library began to be open additional hours on Wednesday mornings from 9:00 a.m.-12:00 p.m. This time has proved to be popular not only with families of young children, but to a variety of patrons who regularly stop by. Being open one additional morning a week gives the opportunity for some patrons to utilize the Library who would not normally be able to take advantage of its resources. This is reflected in our circulation statistics, as 3,864 items circulated over a period of nine months in 2006, as opposed to 2,908 over the same period of time in 2005.

The automation of the Library's collection continued very smoothly with over 6,000 audio-visual materials, fiction, and non-fiction materials added to both the state and local databases. Thanks go to Sandee Auvil, Karen and Naomi Balnis, Sue Flagler, Jenifer Higgins, Evelyn Huston, Maria Juarez, Jacob and Melinda Lutz, Ronna Rajaniemi, and Barbara Woodward for their assistance in entering the materials into the state database, as well as placing barcodes inside each volume. The Library began checking out audio-visual materials on the computer system in June, which was followed by science fiction, regular fiction, and non-fiction materials. Remaining work needs to be completed in the children's, young adult and biography areas.

Our children's programming continues to grow. Volunteer Elaine Moriarty presented nine different story hour programs as well as coordinating the highly successful summer reading program. This year's statewide theme was a pirate based "Treasure Reading" program. The summer program was kicked off with a live professional performance by Tim Van Egmond at the Veteran's Hall. This performance was supported in part by a grant from the New Hampshire State Library, as well as donations from the Byrne Foundation, CHILIS, and the Cogswell Benevolent Trust. Fifty children registered for the summer reading program, and twenty-six completed it, earning gift certificates to the Toadstool Bookshop. Many thanks are given to Elaine Moriarty who coordinated the program, as well as both the kick-off and celebration parties; Deb Watson, who made both a pirate's chest cake and a pirate ship cake for the parties; and Maria Royce who painted the children's faces at the final celebration. In September, Elaine announced that her last story hour would be in December. It is with regret that we say goodbye to Elaine in this capacity, but look forward to working with her on other projects.

The children's programming also expanded to include a bi-weekly story time for the younger students attending the Immaculate Heart of Mary School. Other groups, such as those offering local daycare or home-schooling groups are welcome to schedule special story times as well—just contact the Library. Other changes in the children's department include an additional grant from the National Endowment for the Humanities and the American Library Association. This grant added fifteen books to the children's and young adult collections focusing on different aspects of becoming American. Another change of special interest to parents is the establishment of a parenting collection. This collection is a combination of materials already existing in the general collection as well

as new purchases. This material is supplemented by magazines and other materials provided by local organizations.

The children's room also saw a revitalization with the addition of wonderful African themed murals. Professional artist Evelyn Winter-Pogorzelski donated her time and talent to create a full wall mural of the African savannah. Elaine Moriarty used her considerable talent throughout the remainder of the room, placing African animals in all of the various nooks and crannies.

The exterior of the Library also received some much needed attention as it was freshly painted. Geraldine Lutz and friends kept the grounds clean and created a lovely flower garden in front of the Library. Bob Weekes volunteered to restore the Library's sign. Maureen Blackledge continued to work her cleaning magic inside the Library. We have also recently added a new photocopier and ink-jet printer for use by the public. Many people have commented on how nice the exterior and interior now looks. Thanks to all of you who have worked so hard on it!

Volunteer Evelyn Huston, in addition to assisting with regular library tasks for approximately five hours each week, developed several new initiatives this year. In the front entryway, Evelyn has placed recent (2003 or later) paperbacks for a paperback exchange. These books do not need to be checked out, and if you wish to keep them, we ask that you donate \$0.25 for each book. In addition, Evelyn has developed a notebook of recent book reviews from local, regional, and national publications, highlighting the books that the Library owns that appear on the bestseller lists.

In spite of the bad weather on Richmond Day, the Library's book sale and silent auction raised \$117.75 from the book sale and \$144.00 from the silent auction. Special thanks go to Barbara and Norm Woodward, who helped move the books and tables for the book sale and to the Goldberg-Jaffe family, who solicited all of the items for the silent auction and ran the auction itself. In November, our bake sale and gingerbread house silent auction was a huge success, raising over \$230.00. Thanks to Deb Watson, we had both a fantastic gingerbread house and beautiful carousel with jungle animals for our silent auction. Thanks are also due once again to the Goldberg-Jaffe family who maintained the table for us throughout the day. Elaine Moriarty and Deb also deserve our thanks for setting up the table the night before, and Elaine baked up a fantastic array of items. The BIGGEST thank you goes out to all of you who baked for the sale—we had an overwhelming response. We couldn't have done it without all of you!

We have two new faces to welcome to the Library's Board of Trustees, as we say goodbye to two dedicated volunteers. Sue Flagler, Secretary, after serving six years as a Trustee, declined to run for re-election in March to pursue other interests. Elaine Moriarty was elected to fill her position. Jonathan Bloom, President, resigned in October due to increasing professional commitments. At different times through the past fifteen years, Jonathan and his wife, Shelia Blair, have served on the Board. Deb Watson has come forward to fulfill the end of the Presidential term.

The Librarian and the Trustees wish to thank the Richmond residents for their continued support of the Library in the Town's budget. Come by and see the new changes in your Library!

Richmond Archives Annual Report 2006

2006 was an eventful year. Our many visitors enjoyed looking at a number of collections in the archives and retrieving lots of information which they sought. Our mail, email, and phone calls brought not only requests but information for us. We all learned a lot. With the help of Valorie Burditt, of Fitzwilliam, much research and some of the monthly articles were written for the "Richmond Rooster". Robert Brunk helped us with scanning of photographs. Thank you Valorie and Robert for your help and interest. Our new computer and scanner, purchased from our 'donation' fund (no tax dollars used), is a great help in processing and storing photos and information. We continue to collect current history as well.

Participation in the "Historic Meeting Houses and Churches 1750-1850, Sacred and Secular" project at the Historical Society of Cheshire County was enlightening and educational. Richmond's participation in this project is an extension of our archives educational and historic outreach. This exhibit runs from November 2006 through March 31, 2007. The HSCC is open Tuesday through Saturday, 9 to 4 and is free and open to the public.

During Firemen's bar-b-que day in September, our Archives display at the Civil Defense building was of Twentieth Century Richmond, displaying many photographs and was visited by about 30 people in the morning. In the afternoon a film was shown, made in 1992 by Pam and Boyd Goodell and Chris and Kate Dell for the Richmond Historical Society. The film showed scenes of Richmond and told about the Richmond schools and had interviews with long time residents.

Our photograph collections have also grown this year with additional donated photos of old buildings long gone and changes in the landscape of Richmond. This expands our historic view of Richmond. In the new year continued work on cataloging, indexing and making our collections 'user friendly' will continue. Additional help is welcome. Thank you to all who have contributed in donations to the archives of photographs and documents. As we enter our 30th (official) year, 2007, we are reminded of the fact that we have come from having only one historical reference to an archive with thousands of documents and thousands of photographs as well as some memorabilia, also publications available to the public for purchase.

Respectfully submitted,

Darma Thibodeau

Fire Department Report

We ran on 107 calls this year, and only two chimney fires. Thanks to everyone for keeping those chimneys clean and using care with wood stoves!

Fouty four of those calls were medical, keeping the Rescue Squad quite busy.

We had seven brush fires. Remember, we live in the woods, and if they burn, so may our houses!! Please keep a well cleared area around your house.

We saw one major house fire this year. It was the one we all dread, an occupied home in the middle of the night. The whole family, including pets, escaped without injury. Although the house was heavily damaged, the smoke detectors gave everybody plenty of time to get out. I can't say it enough times, check your detectors frequently! They DO save lives!

I would like to thank all of the members for their time in work, training and, of course, emergency response. Richmond is one of the few towns in the area with a truly volunteer fire department, one whose members draw no pay at all. We are very proud of this status, and ask that anyone who has any interest in fire, rescue, or medical work to join us. Just contact any of our members.

Respectfully submitted,

Michael Pearsall
Chief

RICHMOND FIRE DEPARTMENT RESCUE SQUAD

Richmond Rescue Inc.

Richmond, N.H. 03470

Wow! What an exciting new year for the Rescue Squad! As I'm sure most of you already know, we acquired a new Rescue truck at the beginning of this year from the very generous bequest of the late Irene Baker. It was both fun and challenging trying to arrange and re-arrange all of our equipment in the new truck, not to mention remembering where any certain piece of equipment was kept when needed! But, like anything, it takes time and practice. The new truck is great, much more comfortable and is able to carry more personnel.

We have also added three new EMT's to our roster; Dan Connell, Heather Remick and Samantha Swanson took the course that was given here in town by Buzz Shaw earlier this year. Heather and Sam are also helping out with the Winchester Ambulance. There is another course going on now in Fitzwilliam so when that is over we are expecting to add a few more EMT's.

We are also looking into replacing at least one defibrillator and possibly up-grading the other. As new CPR protocols and standards are issued from the State we do need to remain in compliance with our equipment.

Please remember, in an emergency, dial 911, speak calmly and clearly, give the number and address you are calling from, describe the situation and the number of persons involved and stay on the line as more information might be needed.

Thank you so much to our great volunteers and their families!

Respectfully submitted,
The Richmond Rescue Squad

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfi.org.

Fire activity was very high during the first several weeks of the 2006 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in many sections of the state. The largest forest fire during this period occurred in late April and burned 98 acres. The extremely dry conditions in spring resulted in over twice the amount of acreage burned than in all of 2005. Our statewide system of fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 6 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Snookey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

Town Report

The Richmond Police Department has had another busy year. We have had several events this year that have been notable. We have covered multiple motor vehicle crashes and have made several arrests throughout the year.

During this year we covered incidents where we covered several burglaries, thefts, vandalism complaints and arrested many suspects on motor vehicle related charges. Investigations lead to 13 warrants being issued for arrests on varies crimes. There were 37 arrests made and covered 19 accidents.

We have added our police log to the Richmond Rooster and we have been trying to submit an article named the Richmond Police Safety Corner to the monthly Rooster.

We also got a new police cruiser this year and have changed the design. When we purchased the cruiser, we were able to get a deal on some of the equipment that was already installed in it. This was not only helpful in putting this vehicle in service quicker but saved money in the long run. We have been continuing to install equipment as we purchase it as needed.

I have also worked with J&J Auto of Troy to have them build and donate a large portion of a speed enforcement trailer. This piece of equipment would have cost any were from \$5,000 to \$15,000 but J&J Auto donated all but the cost of the materials which was approximately \$500. I hope everyone sees this trailer and how it assists in slowing traffic in select areas.

We have also added Tasers to our line of safety equipment. These devices have proven to assist law enforcement officers around the world with successfully detaining arrest. This is an effective tool and has been proven to decrease not only injury to arrested parties but there are studies that have proven a decrease in officer related injuries as well. All of my officers have been trained in the use of these devises and would be more than happy to discuss how they work and what they feel like when struck with them, as all of them have been tased during training.

The Bike Rodeo that we conducted during the Fireman's picnic was once again an excellent success. Officer Bosquet secured a variety of prizes through local businesses as well as businesses in the Keene area. We were very happy to give all of the children that attended a prize. Through Officer Bosquet's hard

work, every child left the rodeo with a prize or gift of some sort. All of the children appeared to have a great time participating. The entire day was a great success. The members of the police department and its volunteers worked very hard providing various informational pamphlets to everyone. The children had fun climbing through the cruiser and asking questions on the equipment that we have.

During this year, several officers completed a variety of training. During the spring, I completed Taser instructor school, attended a 2 weeklong Traffic Accident Investigation school, and Sex Offender Notification class. I also attended several other training classes throughout the year. Officer Bosquet attended several trainings to include Taser training. Officer Derosier attended a Search Warrant preparation class, Taser training, and several other classes. Officer Melia completed DWI Apprehension training, Taser training, Sex Offender Registration training, and Search Warrant preparation class. He also attended several other training classes throughout the year.

Unfortunately, Sgt Mark LaBelle resigned at the beginning of the year. It has become more and more difficult for officers to adapt to the times that we need them in town due to their full time commitments.

Most of our staff has been able to secure training through their full-time employers. This may change in the future or I may find the need to send them to additional training through Richmond.

Lynn continues to arrange files and input data into our computers for better tracking which allows us to be more efficient and proactive.

As I have stated in the past, the Town of Richmond should be proud of the quality and dedication that encompasses the employees of the Police Department and its support staff.

It takes a strong man to stand up for himself, but it takes a stronger man to stand up for others!!

Remember, that crime does not start nor does it stop at the edge of town. Be aware of your surroundings and the people in it. Please report all suspicious activity no matter how small it is. This will hopefully be a deterrent to criminal activity.

Respectfully Submitted,

Andrew M. Wood
Chief of Police

Winchester Solid Waste Management District Report

As has been the trend of the past several years, the amounts of municipal solid waste (household trash) have increased significantly. This past year saw a 10% increase in the amount of trash trucked off of the site. On the bright side, the amount of construction and demolition debris (C&D) saw a significant decrease of over 50%. Factors contributing to this reduction can be attributed to the elimination of commercial and business use and dump trucks with roofing shingles not being able to dump at the Transfer Station any longer.

The following is a list of materials and approximate amounts handled at the Transfer Station:

Municipal Solid Waste	1,292 Tons
Construction & Demolition Debris	228 Tons
Metals	49 Tons
Mixed Paper & Cardboard	135 Tons
Compost	200 Cubic Yards
Commingled (Tin, Aluminum, Glass, #1 & #2 Plastic)	117 Tons
Tires	350 Tires
Waste Oil	700 Gallons
Used Clothing	2 Tons

We also accept untreated or painted wood, brush or slash, less than 5 inches in diameter in our burn pit area.

This year the price of transfer station stickers increased to \$20.00 each. Households that have more than one vehicle may purchase additional stickers at \$1.00 each. The stickers are due by October 1st each year and expire on September 30th and must be attached to the vehicle in a plainly visible location. All patrons must abide by the attendants' directives or risk losing the privilege of using the transfer station.

Future changes coming this year will be better containers for paper products and also discussions about separating cardboard once again. The final destination for our commingled products (tin, aluminum, plastic, and glass) will no longer take glass. Therefore, glass will now be a separate category. Beginning July 1, 2007, The State of New Hampshire will make it mandatory to separate all electronic devices such as TV's, computers, VCRS's, et cetera and require us to isolate these products.

Winchester does participate in the household hazardous waste collections hosted by the City of Keene and partially funded with grant funds with the balance coming out of the budget. Residents that have lead-based paints, anti-freeze, turpentine, pesticides, brake fluid, charcoal starter, et cetera, are encouraged to participate in this program. This allows individuals to dispose of hazardous waste in an environmentally safe manner with no cost to them. Watch the newspapers for times and dates or ask the attendant.

Richmond and Winchester share the costs of operating the Transfer Station as well a monitoring, maintenance, and reporting on the closed landfill. The costs are based on the population figures supplied by the State of New Hampshire. This past year Winchester paid 79% and Richmond paid 21%.

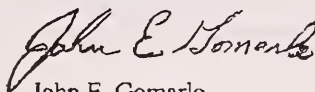

REMEMBER! RECYCLING IS MANDATORY PER TOWN ORDINANCE

HOURS OF OPERATION

Tues. 8:00AM to 4:00PM

Road Agent's Year in Review ~ 2006

The 2006 season began early with ditches needing to be cleaned on Benson Road and trees that needed to be cut on Fish Hatchery Road and Morgan Road in January. Bullock Road needed assistance with draining water in February. I also went out to Morgan Road to issue a driveway permit and had another tree to cut, this one on Lang Road.

March brought mud season and the roads were closed March 2nd. I was still busy though with putting in the new sand and salt shed on Route 119. Trees were cut to make room and a cement pad was poured. We also checked the condition of the roads and had to cut a tree on Sandy Pond Road. Two loads of gravel were brought to Tully Brook Road, some pot holes were fixed on Morgan Road and bulldozer work was done on Old County Road. In April the culvert at the Morgan Road fire pond needed unplugging due to some beavers. We also moved a tree and brush and cleaned the ditches on Activity Road. More work was done on the sand and salt shed with the walls being poured. The road grading started on April 11th and finished May 4th.

A lot of road work was done in May, with 800 yards of crushed gravel being put out on Sprague Road, Pondwoods Road and Taylor Hill Road. Crushed gravel was also brought to Old County Road, Tully Brook Road and Fay Martin Road. New speed limit signs were purchased and put up all over town. Toward the end of the month we cleaned culverts and walled up culverts on Mill Road and Lang Road with cement. The rest of the summer was busy with cutting brush along the sides of the roads and paving on Fish Hatchery Road, Mill Road and Tully Brook Road.

Fall road grading began on October 20th. Other fall projects included painting sign posts and meeting with John Holman about the extension of Monument Road.

Leonard Davis, Road Agent

Conservation Commission

Richmond
New Hampshire

2006 Annual Report

The Richmond Conservation Commission held its regularly scheduled meetings, work sessions, and public informational meetings.

In early spring the commission accompanied John Vanverhorst a volunteer with Monadnock Conservancy to look for Wood Turtles along the Sprague Brook headwaters in the Town Forest. Although no turtles were spotted we did observe several species of wildlife, Great Blue Heron and other waterfowl in the water impoundments of the Town Forest.

In May the commission cosponsored with the Nature Conservancy of New Hampshire, a public informational meeting regarding the US Fish and Wildlife Services proposed Silvio O Conte National Wildlife Refuge expansion in Richmond and Winchester. The town overwhelmingly supported the concept of pursuing the further investigation into the possibility of expanding the refuge to include the Sprague Brook area of Richmond. Some future workshops are scheduled later this winter with US Fish and Wildlife Service updating the progress they have made this far.

We are happy to announce the appointment of Andrew Powers to serve on the Commission. He is currently filling the position of secretary.

The commission, with the assistance of commissioner Dick Drew, has completed a field survey of the former Richmond Soapstone Quarry in an effort to explore the possibility of a conservation easement from Sprague Brook Inc., to protect the historic and geological value of the area. We are hopeful we can negotiate a mutual agreement during 2007 with Sprague Brook Inc.

As a reminder, The Richmond Conservation Commission holds its regularly scheduled meeting on the 1st Thursday of every month at 7 pm at the Civil Defense Building unless otherwise posted.

Planning Board Report

The year ending in 2006 was a busy year for the Planning Board. It began with eight proposed amendments to the zoning ordinance that varied in content from changes in wording to clarify permitted wetlands in a residential building lot to defining and permitting accessory dwelling units, sometimes called "in law apartments". All eight were approved, one by a single vote on a recount.

A second issue which continued to require attention during the year was the identification of illegal gravel quarries in the Town by the State. There are six of them. The Planning Board is responsible for requiring the proper permits and agreement with the owner on the extent of use and the eventual closure of the quarry. An agreement has not been reached with any of the owners. The Board continues to negotiate.

During the year, four subdivisions/boundary line adjustments were approved, one after two years of negotiation and construction of a fire pond.

The proposed site plan by the Saint Benedicts Center has attracted much publicity in the local media. Public hearings have been attended by many residents resulting in recorded comments both for and against. The Board has almost completed gathering comments from the public and simultaneous input from St. Benedict Center and has begun the process which will culminate in a decision no later than May 9, 2007.

Respectfully

Peter W. Majoy, Chairperson

Richmond Recreation Committee Annual Report 2006

On April 8th we had our Easter Party at the Veteran's Hall. We started out with a 150 egg hunt. The eggs were filled with candy. We kept all of the children out of the Hall until 10:00 (which was the time we advertised it would start). The children really enjoyed the hunt. Afterwards we played several games and the children had free time to work on crafts. We had lots of yummy snacks for the children.

On October 28th we had our Halloween Party at Camp Takodah. 21 children and parents came to the party. We all had a great time. We had two piñatas, did the "mummy" wrap, played musical chairs and pass the pumpkin. We also had several simple crafts for the children to take home. We had foam/magnetic book marks, foam window suction cup characters, scratch hanging characters, "spooky" character magnets, coloring pages, and puzzles. We also had great snacks including cupcakes, snack mix, popcorn, candy, water, and juice.

On December 9th we had our Holiday party at the Veteran's Hall. We had several fun crafts for the children to make and take home. One of the most popular crafts was the reindeer candy dish. With this activity the children traced their hands on brown foam and cut them out. Then an adult used a glue gun to attach the "horns", eyes, and red nose. The children drew on the mouth with a permanent marker. We had ornaments to color, snowflakes with glitter, fun sheets with coloring and crossword puzzles. We actually didn't play any games this time. The children were all very involved in the crafts. We had yummy snacks for all to enjoy. This time we bought extra sprinkles and let the children decorate their own cupcakes. We also had snack mix, popcorn, candy, juice, and water.

All the children that come to the Town Parties seem to have a good time. We are grateful for the opportunity to put these events on for the children. Be sure to watch the Rooster and for flyers around town. This year we are going to do a summer kick-off party at the Town Pavilion.

Respectfully submitted,
Tina Thayer

Board of Selectmen
105 Old Homestead Highway
Richmond, NH 03470

Dear Selectmen:

Enclosed please find the HCS – Home Healthcare, Hospice and Community Services Annual Report to Richmond. The Annual Report includes information about the services utilized by residents and the cost of services provided in Richmond. We hope you will consider including this information in the Town Report to let residents know about the services that are available to them.

In 2007, we are requesting an appropriation of \$1,500.00 to continue home care services in Richmond. Services will include visiting nurses, rehabilitation therapists and support services that help residents to recover at home or to remain independent at home. In addition, health promotion services, prenatal and well child care and hospice services are available to residents.

HCS continues to make every effort to seek funding for patient care from a variety of sources. The town's appropriation is used for patients who are low income and uninsured for home care. Since the town is the payer of last resort, the town's assistance is critical to continue care to residents and allow them to remain a part of the community.

Thank you for your consideration of our request. Please do not hesitate to contact me at 352-2253 if you have any questions about our services or this request.

Sincerely,

Susan Ashworth
Director of Community Relations

Home Healthcare, Hospice & Community Services

Report to the Town of

RICHMOND

2006

Annual Report

In 2006, Home Healthcare, Hospice and Community services (HCS) continued to provide home care and community services to the residents of Richmond. The following information represents HCS's activities in your community during the past twelve months.

Service Report

Services Offered	Services Provided
Nursing	645 Visits
Physical Therapy	53 Visits
Speech Pathology	14 Visits
Home Health Aide	48 Visits
Homemaker	87 Hours
Adult In-Home Care	885 Hours
Outreach	10 Visits

Total Unduplicated Residents Served: 48

Prenatal and well child care, hospice services and regularly scheduled "Nurse Is In" clinics are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 2006 with all funding sources is projected to be \$128,921.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2007, we recommend an appropriation of \$1,500.00 to continue to be available for home care services in Richmond.

Thank you for your consideration.

Board of Selectmen
Town of Richmond
Town Offices
Richmond, NH 03470

Dear Selectmen,

As you know, Monadnock Family Services is active in your community, providing quality mental health services to anyone who needs them regardless of their ability to pay.

Once again, MFS is asking for your financial support to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your town. Based on figures from the 2002 population estimates from the NH Office of State Planning, we are asking for the equivalent of \$1.25 per capita, which for the town of Richmond, amounts to \$1,375.

We ask for your continued consideration and support of our request. The cost to MFS to serve the uninsured has increased steadily with rising treatment costs and more people seeking subsidized services. The cost of serving the uninsured and under-insured residents of the Monadnock Region has averaged a half a million dollars annually for the past four years. United Way funds and town subsidies cover about a third of this significant expense. Our services to uninsured adults are further jeopardized as state regulations prohibit us from supplementing non-funded or under-funded services with state funds.

Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Richmond will continue. We work very hard to keep our costs down, and to identify, whenever possible, alternate sources of funding for this population.

If you have questions, or require more information, a representative from the agency will be happy to speak with you.

Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work and grow.

Thanks for your consideration.

Sincerely,

Ken Jue

The Community Kitchen, Inc.

35-37 Mechanic Street • P.O. Box 1315
Keene, NH 03431 • (603) 352-3200
www.thecommunitykitchen.org

October 5, 2006

Office of the Selectmen
Town of Richmond
105 Old Homestead Highway
Richmond, NH 03470

Dear Selectmen:

I am writing to request that The Community Kitchen, Inc. be placed either on your March, 2007 Town Meeting warrant or in your town budget, for an operating budget request in the amount of \$ 1,355.00.

In setting our request amount, we try to balance the amount of use the individual town has made of The Kitchen in the last year with the town's ability to pay. Between 1/1/2006 and 9/30/2006, The Community Kitchen distributed 178 boxes of food, containing 3,798 meals, to residents of Richmond. Based on these numbers, we have projected distribution totals for the year 2006 of 238 boxes, containing 5,064 meals to residents of Richmond, for a total cost to The Community Kitchen of \$ 2,937.12.

Attached is a sheet showing different facts about our distribution to residents of Richmond, including how many of people served were under age 19 and over age 59. The average cost per meal to The Community Kitchen is \$ 0.58, which covers all of our costs - including salary, property and liability insurance, vehicle operation and maintenance, utilities and food purchases.

Not included in the \$ 0.58 is the actual value of the donated food as well as the hundreds of hours of volunteer time and other in-kind donations we receive. If we factored these in, the \$ 0.58 cost per meal would jump to over \$ 4.00 per meal. As you see, in terms of value received, the \$1,355.00 we are requesting from Richmond is a bargain.

An average of 870 families come to the Pantry for food assistance every week. We have asked for written proof of names, ages, addresses and income for each member of every household. A typical weeks' box will contain cereal, juice, yogurt, bagels, bread, pasta, sauce, chicken, fresh fruits and vegetables, soup, dessert items and personal care products. Approximately 70.00% of the items we distribute are donated from local wholesalers, retailers and restaurants. We purchase the remaining 30.00% locally, or from the NH Food Bank in Manchester, where we are charged \$ 0.18 per pound. Approximately \$112,000.00 is spent each year on food.

At the Hot Meal Program, dinner is prepared and served Monday through Friday, between 5:00 and 6:30 pm at our building on Mechanic St., Keene. Although we serve dinner to residents of most Cheshire County towns, we are not requesting reimbursement for those meals.

If you are interested, I would be happy to set up a time for a meeting or phone conversation with you in order to answer any further questions you may have. Please let me know when that might be convenient. Thank you for your time and consideration.

Sincerely,

Ann Davis
Executive Director

A Monadnock
United Way Agency

REQUEST FOR FUNDING PROPOSAL
TO THE
TOWN OF Richmond, NEW HAMPSHIRE

AGENCY NAME: The Community Kitchen, Inc.

DATE: October 5, 2006

1. Briefly describe the role of the agency:

The Community Kitchen, Inc., is a not-for-profit, direct service agency which provides hot meals, take home boxes containing food and personal care items, information and advocacy to low and moderate income men, women and families with children in the Cheshire County, NH area. Since its founding in 1983, the Kitchen has served and/or distributed over 9.0 million meals to people in need.

2. Identify the services that Town funding will provide:

The Pantry Box Program operates out of a space in our building on Mechanic Street. Each box provides approximately three days' worth of meals for each family member. Computerized and handwritten records are kept of family names, number of people, street addresses, dates of receiving each box, income and age. Each family or individual coming in for the first time must fill out a form required by the USDA, and provide back-up documentation for all of the above information. Many referrals have been made to this program from Town and City Welfare offices, school nurses and other agencies. Almost 70.00% of the food for this program is donated, and over 1,866 volunteer hours each month are donated by community members to ensure the success of the program. Take-home boxes of food are available on Wednesdays from 12:30 pm to 5:30 pm and on Thursdays from 11:00 am to 4:00 pm, or by special arrangement.

Hot meals are served Monday through Friday from 5:00 to 6:30 pm at our Mechanic Street location. Meals are prepared by a volunteer staff under the supervision of the Hot Meals Coordinator. Menus are planned after donated food is picked up at bakeries, delicatessens, supermarkets and restaurants. Meals consist of two or more entrees, salads, vegetables, fruit, bread, soup, desserts and beverages, and are served by volunteers. Guests/participants make up over 30.00% of our volunteer crew and help primarily with set-up and clean-up. We are not requesting any funding from your town for our Hot Meal program, but thought you might want to know about it.

3. **a) Number of clients served 1/1/2006 to 9/30/2006 at the Pantry:**
 # Unduplicated individuals: 8,393
 # Unduplicated households: 3,104
 b) Number of those who were Richmond residents:
 # Unduplicated individuals: 62
 # Unduplicated households: 22
- c) Number of above Richmond clients served who were under age 19: 32**
 d) Number of above Richmond clients served who were over age 59: 11
- e) Number of Pantry boxes distributed 1/1/2006 to 9/30/2006: 33,067**
 f) Number of those Pantry boxes distributed to Richmond residents: 178
- g) Number of meals in pantry boxes distributed 1/1/2006 to 9/30/2006:**
 722,664
 h) Number of those meals in pantry boxes distributed to Richmond residents: 3,798
- i) Estimated dollar cost, per client served, 2005: \$42.65**
 Calculated using \$525,214.00 total cash expenses, 12,302 total clients
- j) Estimated dollar cost, per meal served, 2005: \$ 0.58**
 Calculated using \$525,214.00 total cash expenses, 901,089 total meals
- k) Cost to Community Kitchen of pantry meals provided to Richmond residents, at 0.58 per meal through 9/30/2006: \$2,202.84**
- l) Percentage of total pantry box meals provided to residents of Richmond: 00.53%**

Please note that the numbers provided on this page are actual numbers for January through September only.

Traditionally, The Community Kitchen experiences a tremendous increase in both the number of families served and the number of meals distributed in November and December, due to Thanksgiving and Christmas holidays, cold weather and fuel bills. It is anticipated that at the end of the year over 44,089 pantry boxes will have been distributed in total.

The amount of reimbursement we have requested is based on the actual number for the first three quarters of the year and an estimate of the fourth quarter added together.

Southwestern Community Services Inc.

A Community Action Agency Serving Cheshire & Sullivan Counties

November 20, 2006

Mr. Dana Taylor, Chair
Office of the Selectmen
105 Old Homestead Avenue
Richmond NH 03470

Dear Chairman Taylor,

We at Southwestern Community Services, Inc. wish to once again thank you for last year's appropriation for our agency.

As we have in years past, we are asking the local communities with which we work to consider a small appropriation to assist with our outreach effort. Although our costs have risen, as have yours I am sure, we are trying to keep our new request as low as possible, knowing that resources are limited.

I am enclosing an updated list of resources and services that Southwestern Community Services delivered to the residents of Richmond during the past year. Upon completion of your review, we respectfully request that we be placed on your town warrant to ask the voters to appropriate the sum of \$700. This will allow us to continue the outreach and service delivery in Richmond at the same level as in the past.

We look forward to continuing the excellent working relationship that we have had with Richmond over the past thirty-eight years.

In closing, I would like to offer to meet with the Board of Selectmen or Budget Committee, or any group you suggest in an effort to further detail the significance of our request. I look forward to hearing from you in the near future.

I can be reached at (603) 352-7512, extension 4123 should you have any questions.

Sincerely,

David W. Osgood, Deputy Director
Southwestern Community Services, Inc.

***Total Number of Residents Served:	166
---	------------

Average Benefit Per Household:	862.93
---------------------------------------	---------------

Average Benefit per Resident:	322.30
--------------------------------------	---------------

* Property Taxes and Administrative Payroll are NOT included in the direct assistance or economic impact totals.

** Economic Impact is calculated by multiplying the direct assistance by a factor of 2.5

***Some Households receive benefits from more than one program and may therefore be duplicated. However, the amount shown as Direct Assistance to Residents is the actual expenditures to the residents of this town.

The Samaritans, Inc.

24-Hour Hotlines: (603) 357-5505 and (603) 924-7000

October 29, 2006

Town of Richmond
Route 32, Old Homestead Highway
Richmond, NH 03470

Dear Selectmen:

Please support The Samaritans 2007 Municipal Campaign

Did you know that families in your community have been effected by suicide?

Please see attached report.

Since 1981, The Samaritans have maintained the only completely confidential and anonymous, volunteer attended suicide prevention hotline in the Monadnock Region. Our compassionate volunteers help the lonely, depressed and suicidal of all ages throughout New Hampshire. The Samaritans does not charge any fees for the services that we provide. We must rely solely on our community's goodwill and generosity to sustain our programs.

*In 2006 Richmond joined the towns of Antrim, Charlestown, Chesterfield, Greenfield, Hinsdale, Keene, Peterborough, and Swanzey in support of The Samaritans.
We are deeply appreciative of your help. **THANK YOU!***

For 2007, we again request a \$250 municipal grant to help maintain our 24-hour crisis hotline program, our Safe Place Support groups, and our Educational and Outreach programs.

Together, we can make suicide prevention a partnership of our 29 cities and towns in the Monadnock Region.

Thank you in advance for your consideration of this request and for your past support. If you have any questions, about our hotline or other programs, please don't hesitate to call me at our business office at (603) 357-5510.

Sincerely,

Bonnie Rill
Executive Director
